	Elementary:	113	94.61%
	High School:	90	93.12%

Activities & Events

It has been an extremely busy but exciting end to the school year at Sheldon. Over the past month, students and staff have been involved in a wide variety of activities, events, and celebrations across the district.

- MAP and EOC testing wrapped up successfully. I appreciate all of the hard work from our staff in keeping testing running smoothly while still managing everything else that comes with the end of the year.
- Track and field season remained busy throughout May, with students competing in multiple meets and district competition. Junior high volleyball also wrapped up another successful season.
- Our students participated in several great events this month including the Science Club Zoo Trip, Blood Drive, Sports Physicals, Academic Awards, and Track & Field Day. Shiver Shack was once again a huge hit with students during Track & Field Day.
- End-of-year celebrations have been in full swing with Preschool Graduation, Kindergarten Graduation, Senior activities, and preparations for graduation weekend.
- FFA students remained active through chapter activities and officer interviews as the school year came to a close.

As always, I want to thank our staff for their flexibility and willingness to jump in wherever needed during one of the busiest times of the school year. There is a lot happening in a short amount of time, and it takes everyone working together to make it successful.
